

State Universities Retirement System (SURS)

Inclusion Policy

(09/11/2015)

The purpose of this policy is to establish a framework for the inclusion of businesses owned by minorities, females, and persons with a disability in SURS procurement processes and for the inclusion of increased diversity of SURS fiduciaries, consistent with 40 ILCS 5/1-109 and 40 ILCS 5/1-109.1.

The goals of this policy are to:

- promote competitive utilization of businesses owned by minorities, females, and persons with a disability in SURS contracts and services; and
- advance racial, ethnic, and gender diversity of SURS fiduciaries, including consultants and senior staff.

Policy

SURS is responsible for the prudent administration of SURS members' trust fund. SURS strives to insure that members and taxpayers receive the maximum value for each dollar spent. To this end, SURS recognizes that promoting diversity of fiduciaries and vendors provides an open, competitive and diverse business environment.

SURS procurement and employment processes will further diversity in vendors and fiduciaries, including consultants and senior staff.

SURS employment processes to promote racial, ethnic and gender diversity of SURS fiduciaries, including senior staff must be developed to work in tandem with existing State University Civil Service System law when appropriate. To this end, SURS is committed to the ongoing efforts to seek job candidates from underrepresented groups, bring them into the organization, and offer additional growth/leadership opportunities with the intent of creating mutually beneficial long-term employment partnerships.

SURS procurement process includes a concerted effort to attract qualified minority, female owned business enterprises, and businesses owned by a person with disability (as defined by the Business Enterprise for Minorities, Females, and Persons with Disabilities Act: collectively, "MWDBE") to participate in the procurement process. SURS further commits to the objective evaluation of all qualified businesses regardless of race, gender or handicap in fair consideration of all suppliers and consultants in the acquisition of goods and services.

SURS stresses its goal of inclusion of MWDBE firms among prospective providers of purchased goods and services. Special efforts will be made to insure identification of eligible firms for inclusion in the bid process, including monitoring of MWDBE-related listings to identify possible MWDBE contractors and service providers. MWDBE firms will be identified using resources such as the United States Small Business Administration, Illinois Central Management Services Business Enterprise Program and other public agency resources. SURS will seek new ways to expand our efforts to do business with MWDBE suppliers and consultants.

If necessary, SURS will take proactive action to ensure that certified minority-owned, women-owned and disabled-owned business enterprises are provided notice of, and given the opportunity to demonstrate their ability to provide products and services at competitive prices. SURS staff who either directly or indirectly determine procurement needs or procurement decisions will seek and encourage MWDBE businesses to submit bids each time SURS publishes a request for bids or proposals.

SURS contracts require vendors to avoid unlawful discrimination in employment and to assure equality of employment opportunity and compliance with the Illinois Department of Human Rights' regulations concerning equal employment opportunities and affirmative action.

Pursuant to 40 ILCS 5/1-109.1 (10) SURS shall set an aspirational goal of no less than 20% utilization of businesses owned by minorities, females, and persons with disabilities of contracts awarded for "information technology", "accounting services", "insurance brokers", "architectural and engineering services", and "legal services". This information will be tracked, but is not required to be reported.

SURS has set a goal of 25% for purchases from businesses owned by minorities, women, and persons with a disability as a share of all of its contracts and purchases. This information will be tracked by the Chief Financial Officer and reported annually as required by Public Act 96-0006.

SURS has set a goal to promote diversity from the top down and the bottom up to ensure a culture of inclusivity. SURS will also recruit from a diverse, qualified pool of potential applicants to increase the racial, ethnic, and gender diversity of its senior staff. This information will be tracked by the Director of Human Resources and reported annually as required by Public Act 96-0006.
