

New SURS Members

New Members

SURS members must choose one of three retirement options:

1. [Traditional Benefit](#) ^[1] Package,
2. [Portable Benefit](#) ^[2] Package, or
3. [Self-Managed Plan](#) ^[3] (SMP).

As a new member of SURS, you must choose a retirement plan **within the first 6 months** of your employment. Your choice will depend on the types of benefits you wish to receive in the future, as well as the amount of personal involvement you want in determining where and how your contributions are invested.

To help you with your decision, SURS has created [The Power of Choice](#) ^[4] workbook. It is intended to provide you with guidance and an overview of some important investment concepts. Please read the workbook thoroughly and take time to understand the information it contains. Also, please review the [New to SURS Life Event](#) ^[5] page for additional information.

Plan Information

After you make a decision, learn more about your plan by reviewing the appropriate member guide:

- [Portable Member Guide](#) ^[7]
- [SMP Member Guide](#) ^[8]
