UNIVERSITY EMPLOYEES ONLY

To retain eligibility for health insurance now and any time in the future if using the LIS option, you must authorize SURS to convert at least 50% of your LIS account balance to income. For any funds not in the LIS option, you must take your distribution in the form of a lifetime annuity to receive health insurance after you retire. If your account balance is not sufficient to pay a monthly benefit, you will not be eligible for health insurance. Employees of the City Colleges of Chicago are exempt from this requirement.

You must choose a Joint Benefit for your spouse or eligible survivor to remain eligible for insurance at your death.

Pages 3-4 pertain to members of the State Group Health Plan. To be eligible for this plan, you must have at least five years of service credit with a state university or an agency of the state of Illinois (for example, Dept. of Corrections). Note: Community Colleges are not state agencies.

MEDICARE INFORMATION

Members and/or dependents under any form of state health insurance who turn 65 OR retire on or after July 1, 1992, and are eligible for premium-free Part A of Medicare, will have their state medical benefits reduced if they do not enroll in Part B of Medicare.

To avoid additional out-of-pocket claim costs, we strongly suggest you enroll in and retain Medicare Part A and Part B for yourself and eligible dependents. Please submit a copy of your Medicare card showing dates of coverage for yourself and each eligible dependent.

If you have received notice from Social Security that you and/or your dependents are not eligible for premium-free Medicare Part A, send a copy of that notice to SURS along with your retirement application.

If enrolled, Medicare will become your primary insurance at retirement. Your state insurance will act as a secondary insurance to Medicare.

If you have any questions regarding Medicare, contact the Medicare COB Unit at 1-800-442-1300 or 217-782-7007.
