

TIAA Annuity Authorization

Complete ONLY if taking an annuity with TIAA

Instructions:

TIAA Variable Annuity Accounts:

How often can my retirement annuity change?

When you choose to receive lifetime retirement income from TIAA and CREF variable annuity account accumulations, this income will increase or decrease based on the investment experience of the accounts. You can choose to have your income revalued monthly or annually.

When making this decision, note that you can have all of your income revalued annually or monthly, or a portion revalued annually and a portion monthly. Just provide TIAA written instructions along with your completed application.

What is the annual valuation method?

If you receive variable income that changes annually, your income is revalued once a year on March 31 (with payments changing on May 1). This option may be suitable if:

- you prefer to have a consistent income stream for a one-year period; and/or
- you don't mind waiting until the end of the year to receive an increase in income if performance is above the 4% Assumed Interest Rate (AIR).

What is the monthly valuation method?

If you receive variable income that changes monthly, your income is revalued on the 20th of each month (or the previous business day if the 20th is not a business day). This option is suitable if:

- you prefer to see changes in income (up or down) immediately, rather than waiting until the following May 1; and/or
- you don't mind fluctuations in your income level each month.

Can I change from one valuation method to another?

Yes, you can switch from annual to monthly valuations, and vice versa, once a year effective on March 31.

Valuation Method: *Please choose one option*

Based on investment performance, I want my TIAA and CREF variable income to change: Monthly **OR** Annually

TIAA Traditional Payment Method:

Standard Payment Method: TIAA Traditional Annuity Income Benefits include guaranteed amounts plus additional amounts as may be established on a year-by-year basis by the TIAA board of trustees. The additional amounts, when declared, remain in effect through the "declaration year," which begins January 1 for payout annuities. Additional amounts are not guaranteed beyond the period for which they are declared. **Your TIAA Traditional income will be paid 100% under the Standard Payment Method.**

***NOTE:** For information on TIAA's current payout rates, please visit online at www.tiaa.org or call us at 800-842-2776.

If we receive your completed form after the 20th of the month (or after the previous business day if the 20th is not a business day) in which you requested payments to begin, your initial payment will automatically be moved to the 1st of the following month and your contract will be issued as of that date.
